2 different programs

Facial

Facial handpiece has two applicators for deep peeling treatment, and also massages from the skin deep to the muscles, feeding and toning all the tissues resulting in a lifting effect in the face.

Corporal

Designed to remodel the shape of body, reduce the grease and liquids, recover the tissues of the skin and activate the circulatory system.

Eliminates anti-aesthetical volumes in the surface and deeply in the body with a very high effectiveness, **improve the health in general** and in the tissues treated, getting the results that any other similar systems cannot reach:

Enhance the aesthetical volumes in the body, working all the muscular tissues, feeding and toning their fibers, **getting an more equilibrate feminine anatomic body shape.**

Facial Programs

The device has several phases and programs combined to obtain the best results.

- Peeling system for micro-dermic abrasion of tissues.
- Deep phisio-active massage.
- Relaxing massage with vibration system and red light.
- Complete cream range to reinforce program result.

Corporal Programs

In one program we obtain the most 5 required results in aesthetical treatments.

Reduce the most deep cellulite, tone up all the soft tissues, remove the liquid retention and the tissues' inflammation, remodeling the shape of the body and also helps to unlock the muscular contractures.

Cosmetic Products

Anti-age CICA serum Antioxidant serum to be used in all phases of the treatment and with all types of skin.

Regenerating fluid with CICA and rosehip.

Eye contour lifting effect with jellyfish extract.

Cryo-regenerating fluid regenerates the cells recovering the luminosity, density and youthfulness of your skin.

Total effect cream hydrating, calming and regenerating cream.

Anti-celulite thermo active cream, volume reduction and draining power.

Corporal cream reaffirming and remodeling effects.

2 SIZE LESS IN AVERAGE

The only device that can reduce up to 2 cloth sizes without the need of weigh loose, at the same time that reaffirms, remodels, help to liquid drainage and muscular contracture reduction.

VIBRATION SYSTEM

Both handpieces (corporal and facial) include a powerful vibrating system that leads to a relaxing and sedative effects, increases the liquids, grease and toxin drainage effect, also reducing any nuisance in our customers.
